

Essex Police Fraud Alert System

24

29th January 2021

VACCINATION SCAMS CONTINUE!

Following on from the previous alert regarding vaccination text messages, there is a new fraudulent vaccination email being circulated. Again, this looks very convincing and could easily be mistaken for a genuine NHS email.

Do not click the link as it takes the recipient to a malicious website that steals personal details. These details are then used by the criminals to access other personal accounts.

Remember:

- **Never** click on any links in unsolicited emails
- **Check** the email address is genuine by hovering over it or clicking and holding
- **The vaccine is free and the NHS will never ask you for bank or payment details**

If you or someone you know is vulnerable and has been a victim of fraud, please call **Essex Police** on 101
Report fraud or attempted fraud by contacting **Action Fraud** at actionfraud.police.uk or call 0300 123 2040

Keep up to date with fraud and
